

Product Specification

PORTER'S BLACK ANTIQUE WAX

PRODUCT DESCRIPTION:

Porter's Black Antique Wax is a fine black polish containing beeswax, elm gum turpentine and linseed oil. Designed to protect and age most bare or painted surfaces. Black Antique Wax is designed to create an aged effect by discolouring surfaces and laying on darker in crevices, cracks and low relief areas. Buff to desired lustre.

LOCATION:

Interior.

SUGGESTED APPLICATIONS:

Can be applied as a protective finish over bare timber or painted surfaces.

COLOUR:

Black.

LIMITATIONS:

Not suitable for use in wet areas.

Do not apply in high humidity, below 10°C or above 30°C.

PREPARATION:

Follow drying time instructions from the specification of the product you are coating.

APPLICATION:

Apply sparingly with a soft lint free cloth or fine steel wool.

Ensure Black Antique Wax is sparingly and evenly applied.

Before the wax is completely dry buff vigorously by hand with a soft clean cloth, or mechanically with a lamb's wool buffer.

COVERAGE RATES:

Covers approximately 10-12m² per kg, depending upon porosity, surface texture and wastage rates.

WASH UP:

Pure gum turpentine.

PACKAGING:

Porter's Black Antique Wax is available in 225g tins.

STORAGE:

Store in a cool dry area, protected from frost.

PRECAUTIONS:

Flammable liquid and vapour. Harmful if swallowed, in contact with skin and if inhaled. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. May cause drowsiness and dizziness. Keep out of reach of children. Avoid swallowing. Avoid eye contact. Avoid prolonged skin contact. Provide adequate ventilation.
